March, April, & May will be our busiest months. You should avoid scheduling conflicts as much as possible during this time. We do our best to get important info (such as exact days/times of everything) posted and shared as quickly as possible. Please provide plenty of notice if there's a day in any of these months that may cause an issue, and we can try to work on a solution.

This is intended only to give an idea of all important dates throughout the season. Not all dates listed are not guaranteed. **Please watch monthly newsletters August-May for updates.** We will also be able to send out a more finalized version as the season progresses, competitions set dates, venues are scheduled and guaranteed, etc. (usually around November)

ALL TEAM INFORMATION IS POSTED IN TEAM BAND GROUPS - Such an essential tool!
WE ALSO EMAIL AND SOMETIMES TEXT IMPORTANT INFORMATION.
